

DoP n.º: GPMG002.1

## Declaration of Performance

**4. Address:**

**Gres Panaria Portugal S.A.**

Chousa Nova  
3830- 133 Ilhavo - Portugal

Telephone: + 351 234 329 700  
Fax: +351 234 302 090

email: [margres@margres.com](mailto:margres@margres.com)

site: [www.margres.com](http://www.margres.com)

1. Product identification: **Dry-Pressed Ceramic Tiles, with low water absorption (Eb ≤ 0,5 %)**
2. Product Type: **Laminated Stoneware**
3. Intended use: **Ceramic tiles for internal flooring① and wall tiles for indoors and/or outdoors ②**
5. Name and contact address of the authorised representative: **N.A.**
6. System of Assessment and verification of constancy of performance: **4**
7. Notified Body: **N.A.**
8. European Technical Assessment: **N.A.**

| 9. Characteristics                                                               |                                      | Harmonized standard: | Performance                                        |
|----------------------------------------------------------------------------------|--------------------------------------|----------------------|----------------------------------------------------|
| a) Reaction to Fire                                                              |                                      | EN 14411:2012        | Class A <sub>2fl</sub> S1①/A <sub>2</sub> -S1, d0② |
| b) Emission of Dangerous Substances                                              | Release of lead (*)                  |                      | NPD                                                |
|                                                                                  | Release of cadmium(*)                |                      | NPD                                                |
| c1) Modulus of Rupture                                                           |                                      |                      | ≥35 N/mm²                                          |
| c2) Breaking Strength                                                            |                                      |                      | ≥ 700 N                                            |
| d) Slipperiness (*)                                                              |                                      |                      | NPD                                                |
| d) Bond Strength/Adhesion                                                        | Cementitious Adhesives (C1)          |                      | NPD                                                |
|                                                                                  | Cementitious Adhesives (C2)          |                      | NPD                                                |
| e) Thermal Shock resistance                                                      |                                      |                      | Pass                                               |
| f) Durability for:                                                               | Internal Use                         |                      | Pass                                               |
|                                                                                  | external use: Freeze-thaw resistance |                      | Pass                                               |
| NPD - No Performance Determined<br>N.A. – Not Applicable                         |                                      |                      |                                                    |
| (*) – If necessary, for further information please contact Gres Panaria Portugal |                                      |                      |                                                    |

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9.  
This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4
